### Resident of the Month

Becky Hudson is our resident of the month. Becky is celebrating her year anniversary with us this month.

Becky is well known at U of L and UK. Becky worked at both and performed pivotal roles while teaching, coaching, and recruiting. She loved her time advocating for women's sports and teaching in the physical education/health dept. at U of L. She moved on to her alma mater, the University of Kentucky, where she was the Director of Student Affairs of Nursing. Becky made life long friends throughout her career and left a mark wherever she landed.

Now, Becky still enjoys exercise and is a cheerleader to all. She has a love for life and enjoys music and spending time with others. Becky loves her family and enjoys visits and going out with them. She appreciates their dedication to her.

If you get a chance, have a chat or a meal with Becky. She has the best stories of her travels, one to Africa where she fell in love with elephants. You will walk away knowing you just spent time with an amazing person. We are thankful Becky calls Kenton Pointe home!

## April Brought Showers and Lots of Fun

**A QUICK REMINDER...** Please schedule doctor visits that you need us to transport you to and from on **Mondays and Thursdays**. We want to be able to accommodate everyone's needs and still be able to schedule outings and other activities. We always want to make sure we have enough staff members available to help in all aspects of our daily activities. Thank you for your help!!

This month we were thrilled to have Scott Skaggs as our guest speaker. Scott gave us some helpful hints and great ideas to help with fall prevention. Scott is a physical therapist with Personal Touch and has come in to help many of our residents throughout the years.

Thank you to Scott for sharing his time and knowledge.

Mason County Library delivers and picks up books for us twice a month. Please let Mary Anna know if you want to get signed up for this opportunity.

Thank you to ALL of our veterans

## Armed Forces and Memorial Day Held in May

Armed Forces Day is held annually on the third Saturday of May. It is a time to honor the men and women who **currently** serve in the armed forces in the United States. Armed Forces day culminates the end of Armed Forces Week in which each branch of the military is honored on a separate day of that week. Veterans Day honors all those who have **previously** served in the military. We honor those men and women who have died serving in the United States Armed Forces on Memorial Day.
